Installation

Getting Started Advanced Status Labels · https://izymes.com/docs/installation/

Via Atlassian Marketplace

Follow the link to the Advanced Status Labels for Confluence cloud listing on the Atlassian Marketplace.

On the Atlassian Marketplace page for Advanced Status Labels (Cloud) click on **Try it free.**

1. You are forwarded to your Confluence Workspace
2. Select the workspace that you want to install Advanced Status Labels into.
3. Grant Advanced Status Labels app access.
4. You are all set!

Now it is time to set up Advanced Status Labels for Confluence Cloud! When you are ready, continue on with Getting Started.
