Installation

Getting Started Organizr · https://izymes.com/docs/organizr-installation/

1. Log into your Bitbucket instance as an admin.
2. Click the admin dropdown and choose **Atlassian Marketplace**.
3. Click **Find new apps** or **Find new add-ons** from the left-hand side of the page.
4. Locate **Global Pull Request Organizr** via search.
5. Click **Try free** to begin a new trial or **Buy now** to purchase a license for **Global Pull Request Organizr**.
6. Enter your information and click **Generate license** when redirected to MyAtlassian.
7. Click **Apply license**.

To find older *Global Pull Request Organizr* versions compatible with your instance, you can look through our version history page.

Try Organizr!
